Padre Island #2, Corpus Christi, TX

Huge adjacent lots on Packery Channel, which leads to the Gulf. One of the few available. Fantastic views of the channel, flats and the Gulf of Mexico. Thick with oak trees affording privacy. The trees attract all species of birds and wildlife. There is an area that would be a great shaded place for a picnic or children's play area. The home is a rustic one bedroom cabin on stilts. It sits on one of the highest elevations on Padre Island. This could be very unique location to build your dream home. Close to fishing and all watersports. Plus bird watching.
